

**Black Truffle**  
**Extra Virgin Olive Oil**

The late fall, early winter truffle is used in the making of this savory oil. A ‘tea method’ is utilized which steeps the ripe truffles for extended periods of time in olive oil. No extracts or chemicals are used in its’ production.

Uses:           Fantastic in cream-based soups, risotto or  
                      mashed potatoes! Use as a “finishing oil” - a  
                      small amount goes a long way!

All natural. No Preservatives. No Artificial Ingredients. Gluten Free.
